

JHS Band Car Washes

Expectations during each shift

Arrive at your shift ON TIME.

You must stay for your entire shift.

Dress appropriately – you will get wet! Swim suits are allowed, as long as they are covered up at all times. You may wear sandals.

You are working – no cell phones! If you don't have any cars to wash go out and help get some people in!

Washing Cars

People who come for a car wash are there for 2 reasons:

- 1 – they want to get their car cleaned
- 2 – they want to support the JHS Band

Make sure you actually get busy and clean cars and always represent us in the best way possible!

Sign Holders

There must be sign holders for the entire shift. You can take turns, but everyone needs to help. The sign holders are very important! Be enthusiastic!

Food

If you are doing a double shift **bring a lunch! You may NOT leave your location to get food.**

If you are at a location that serves food (i.e. Burger King), you may go in and get something, but only **2 people** may do this at a time. The rest need to keep working. Take turns.

It should take you no longer than 15 minutes to eat. **There must be people holding signs and working at all times. Take turns eating lunch!**

DON'T FORGET... HAVE FUN!!!
